The Agile Community

How to grow, learn, share and become a global agile community leader

Alex Sloley

How cheerleading works

- Synchrony & contrast
- Chants
- Formations

Elicit emotions

- Crowd
- Players

Player mindset

- Supported
- Encouraged
- Hyped

- Win!
- Reset to win next game

Fundamentals of Cheerleading

Synchrony & contrast

Chants

Formations

Emotions

Agile

CHEER

Why?

Celebrate the team

In sport:

- Immediate feedback
- Reinforcement
- Fun

In Agile teams:

- Learnings
- Milestones
- Happiness

Why?

Encourage and support

In sport:

- Drown out negative noise
- Shift mindset "keep going"

In Agile teams:

- Reframe failure to learning
- Psych safety
- "How to support" in team kick off

Why?

Hype the stakeholders

In sport:

- Amplify the positive noise
- Engaged, committed and aligned to the team

In Agile teams:

- Sprint review
- Engage stakeholders
- Feel part of the greater team

Create your own cheer

- Gather your squad
- Co-create min. 3 moves with:
 - Synchrony & contrast
 - Chant
 - Formations
- Practise!
- Cheer conference run-ins

Reflection (1min)

- How can you apply cheer learnings to your agile teams?
- Write it down

Take home message

- Cheerleading creates high-performing teams through support, encouragement and celebration.
