

OPEN SPACE

1. Whoever comes are the right people. You can learn with them.
2. Be prepared to be surprised! Bring an open mind.
3. Whenever it starts is the right time. Learning flows on its own terms.
4. When it is over, it's over. It may be earlier or later than scheduled.

Law of Personal Mobility

You are responsible for your learning. If you are no longer contributing, lose interest, or it's just not for you right now - *simply leave*. Then find a new place that meets your needs.
