# Storytelling

# The Power of Storytelling

Your goal in every communication is to influence your target audience to change their current attitudes, belief, knowledge and behaviour.

Story Smart, Kendall Haven, 2014

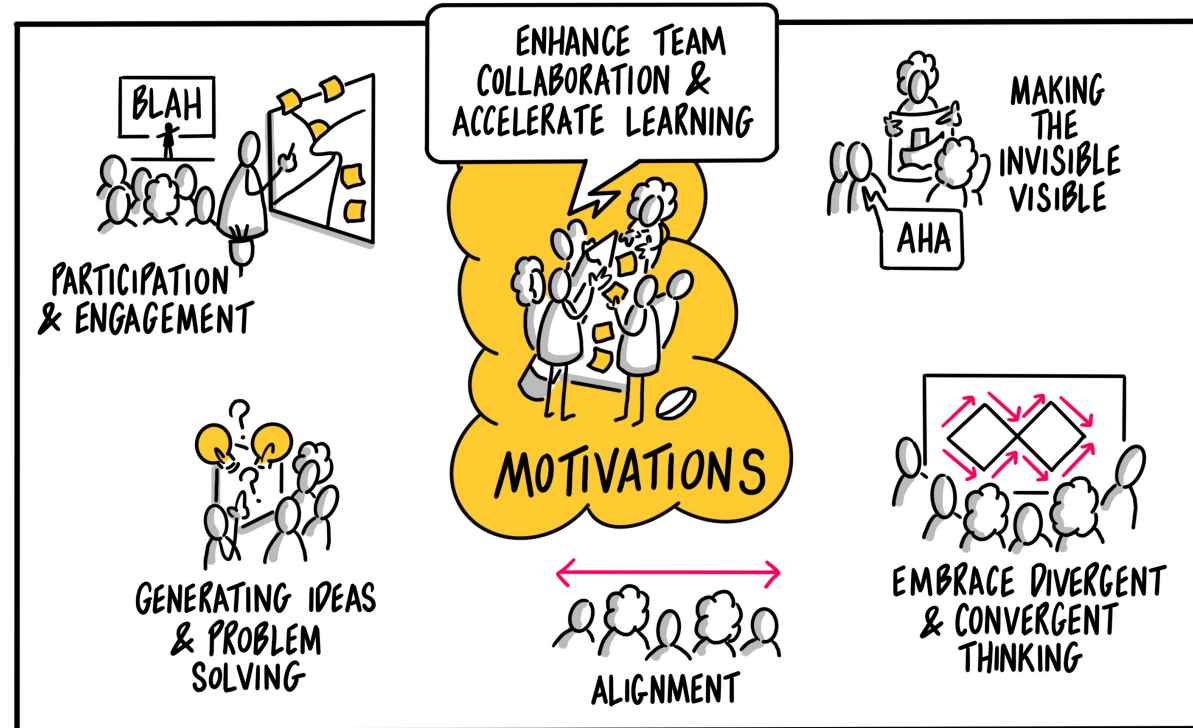

# Visual Storytelling

Create visually compelling stories that help you make decisions faster in a simple to understand and memorable way.

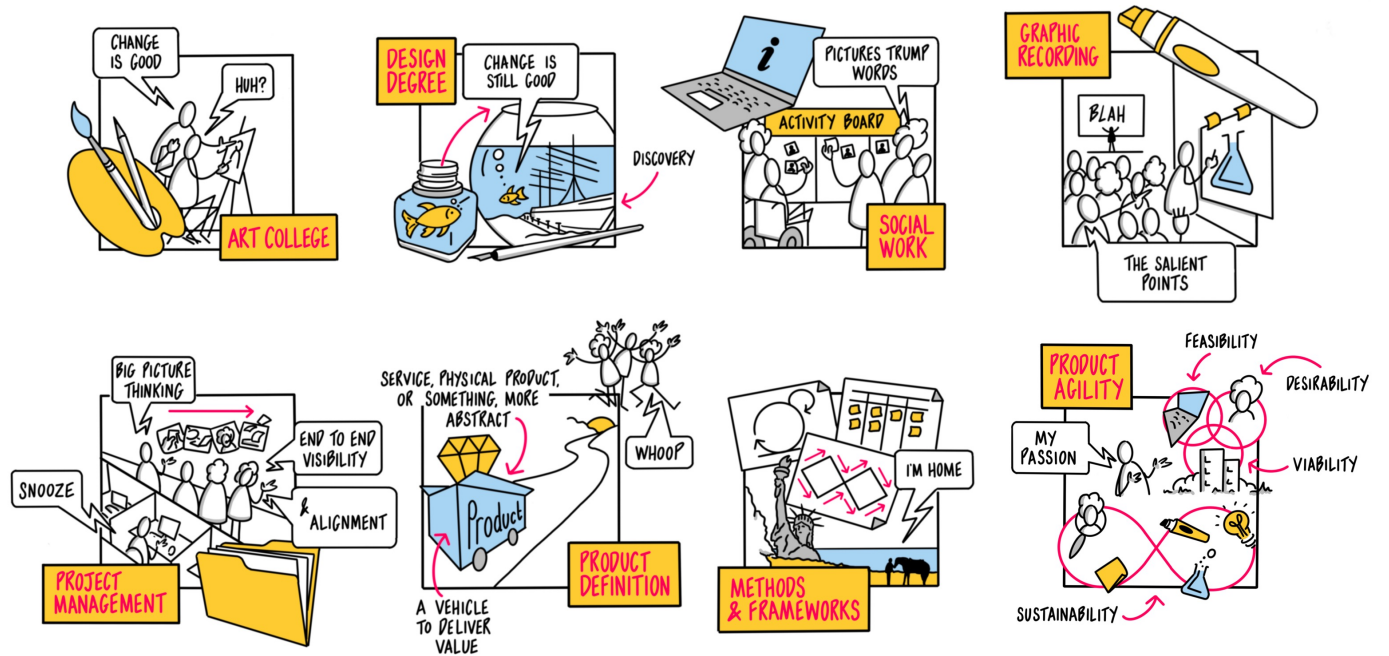

# Creative Storyboarding

An essential tool for story sequencing and elaborating ideas before investing time and effort in process reengineering and product development.

# Visualise the whole

Think mile wide  
inch deep

Scope doesn't  
creep  
understanding  
grows
