Multiplayer collaboration unleashed.
Let's get this conference started!

Agile ORLANDO
JULY 24-28 **2023**

#AGILE2023

It's all an experiment

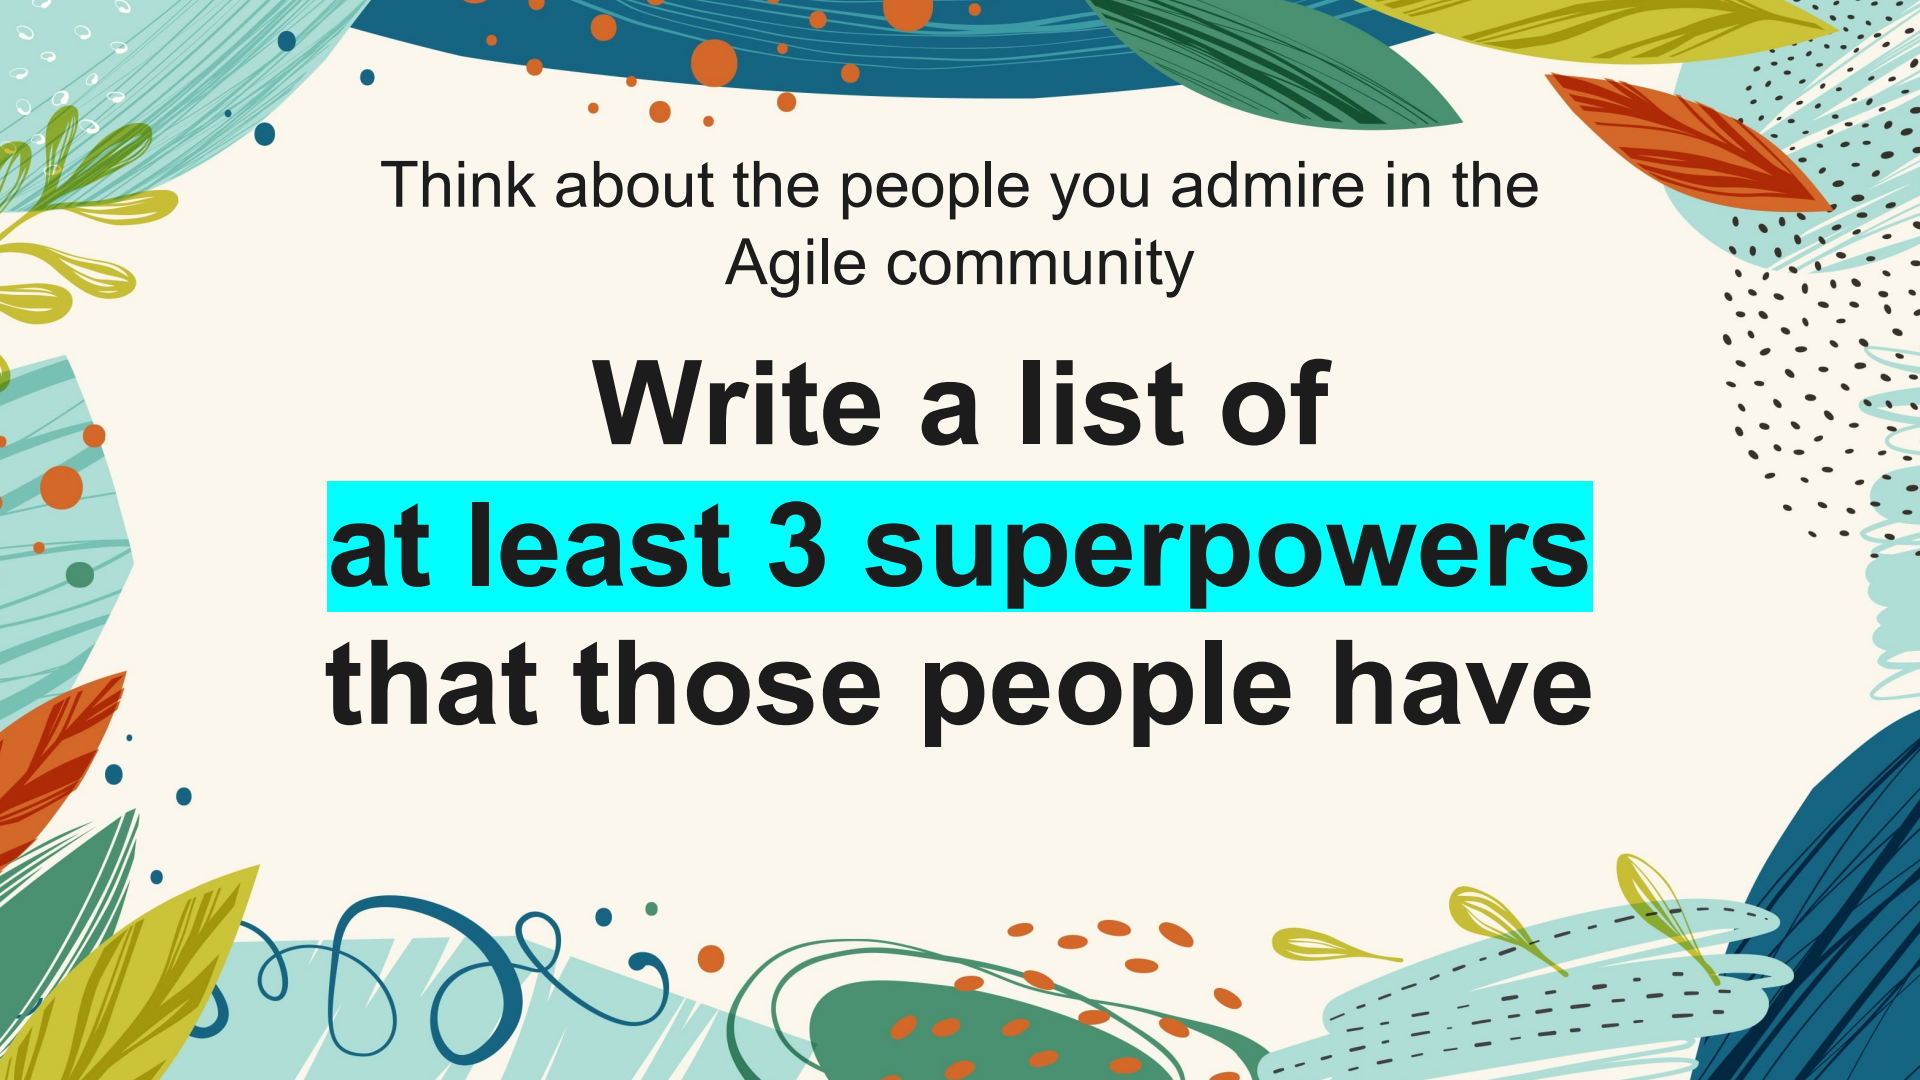

You have the right to pass!

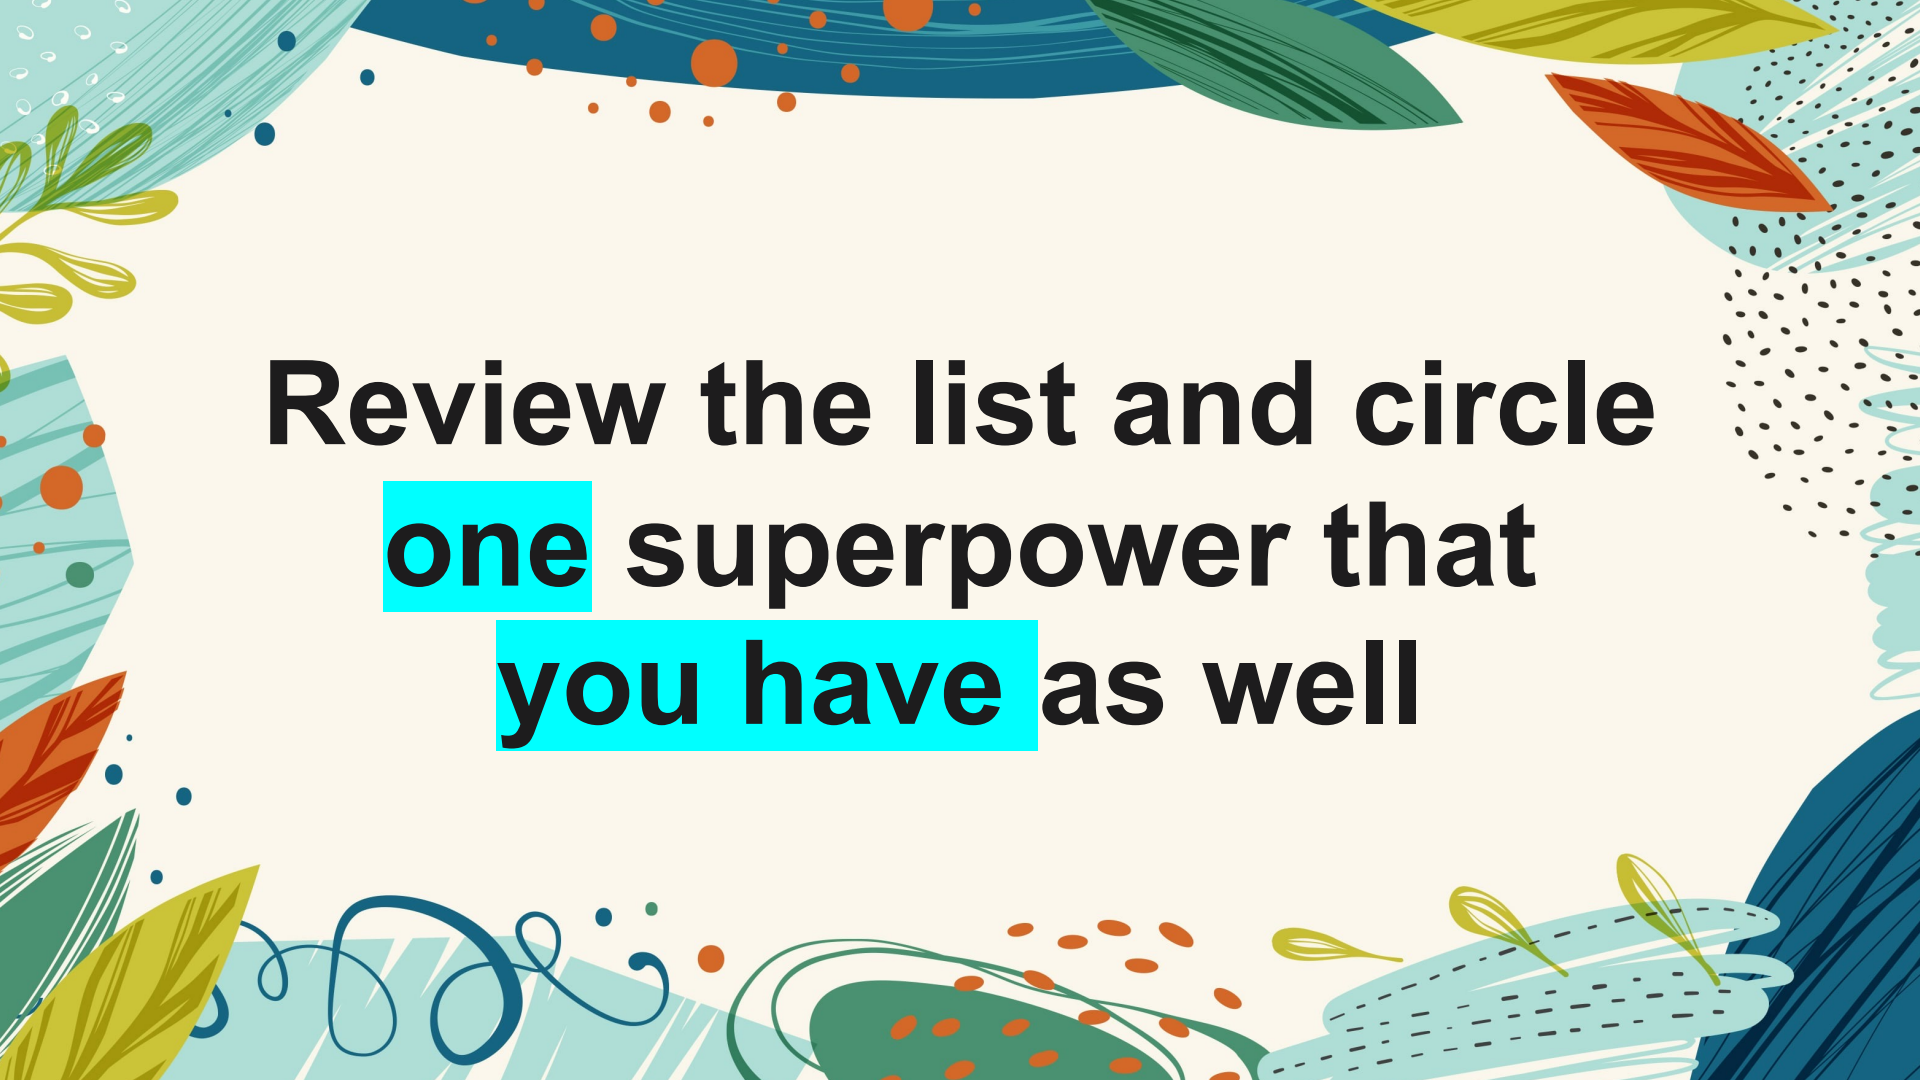

Brainwriting

Think about the people you admire in the
Agile community

Write a list of
at least 3 superpowers
that those people have

A decorative border surrounds the text, featuring stylized leaves in shades of green, yellow, and orange, along with blue and orange dots and swirls.

**Review the list and circle
one superpower that
you have as well**

Flip the card to the other side...

Write **your own**
superpower in bold
letters and draw an
image for it

Superpower Networking

When I finish explaining, you will...

*Find a person from a different table.
Show your card and ask them:*

What superpower do **you bring to this conference?**
What superpower(s) do you want to **amplify here?**

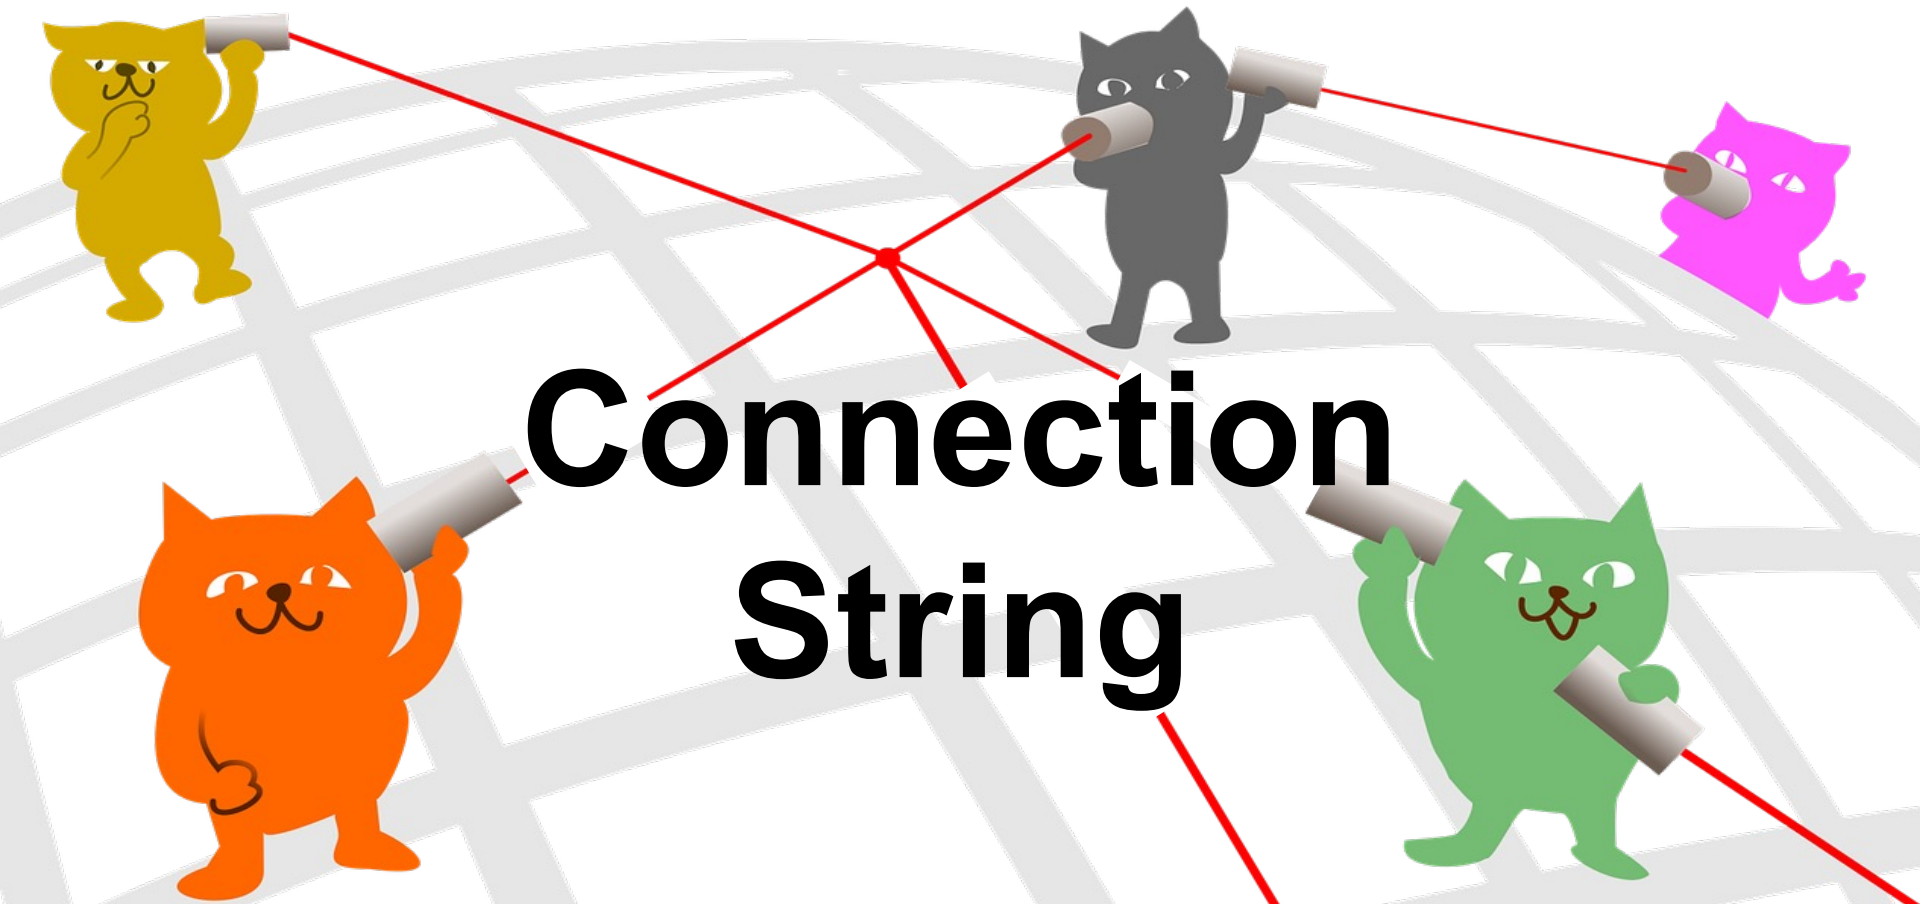

*On my signal, find a different person
(3 min/pair x 3 rounds)*

3 min/pair 3 rounds

1. What superpower do **you** **bring** to this conference?

2. What superpowers do you want to **amplify here**?

Connection String

When I finish explaining you will...

**Find a person at your table who
has the largest number of cats.**

**This person will take
the ball of yarn and **start the
introduction.****

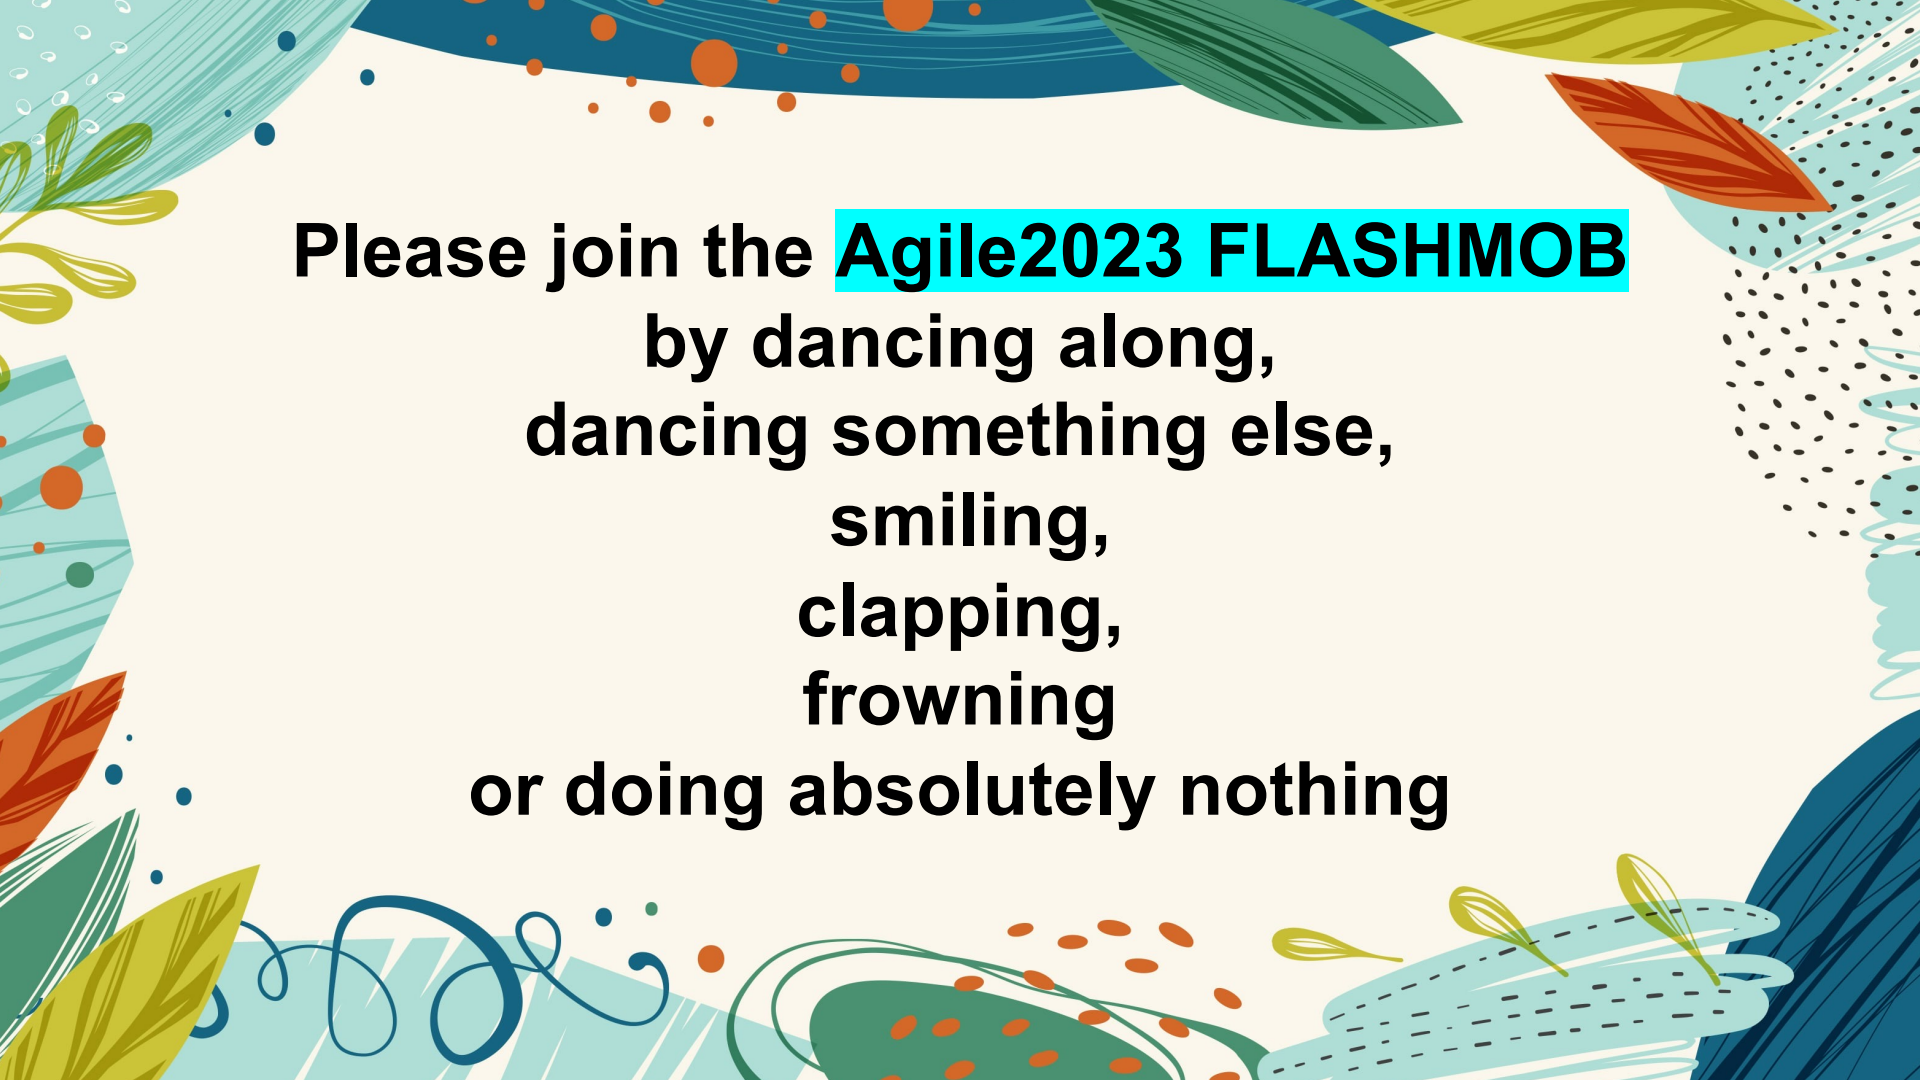

(10 min per table)

***As soon as you hear
something in their story
that relates to you,
make it known, ask for
the ball of string,
continue with your
story...***

***DO: Keep one
end of the string,
after passing the
ball***

***DON'T: Double-
connect, until
everyone connected
once first.***

Please join the **Agile2023 FLASHMOB**
by dancing along,
dancing something else,
smiling,
clapping,
frowning
or doing absolutely nothing

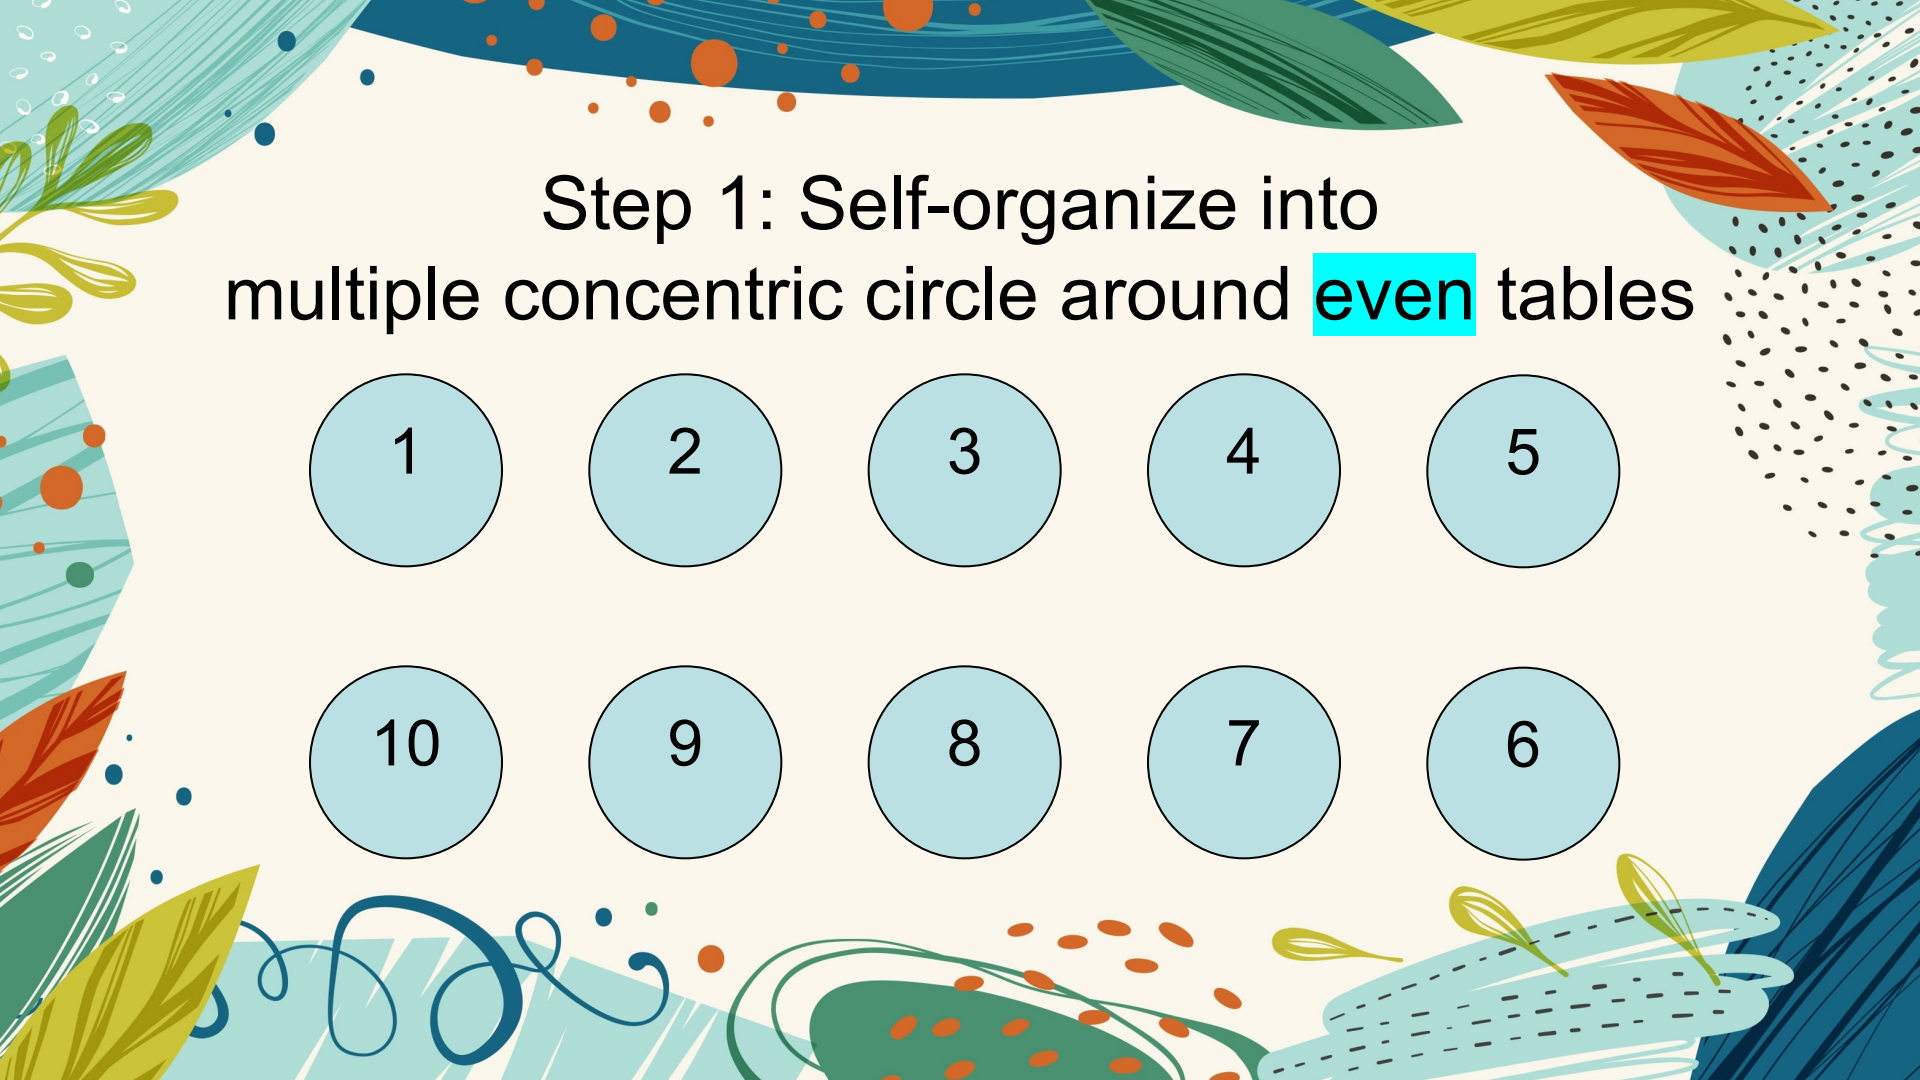

Wild Tea Party – Scaling Experiment

We ran a smaller
version at Agile2019!

Step 1: Self-organize into
multiple concentric circle around **even** tables

Self-organize into
multiple concentric circle around **even** tables

- 
2. Facing your partner, finish each prompt with a short phrase (1 min total)
 3. On my signal – outer circle takes one step to the right
 4. New partner, new question!

Lean into playfulness and embrace confusiasm!

**Something unexpected
that happened today
was...**

**Now I am more curious
about...**

**The smiling faces I see
around me make me
feel...**

**Nothing can scare me
now, except...**

**What matters most to me
about this week is...**

**When Friday morning
comes, I hope I will...**

**A wicked voice in my
head is telling me to...**

**The expectation I need to
let go of is...**

**In 6 month, I hope to
remember from this
week...**

**This Wild Tea Party made
me...**
